FROM RENEWABLE ENERGY LEADERSHIP TO EV INFRASTRUCTURE EXCELLENCE

ABOUT BSMT

BSMT Private Limited is a registered company with a strong foundation in Solar and Wind Energy. Now, we are proudly expanding into the EV Infrastructure sector to drive India's green mobility revolution.

We are converting
BSMT Private Limited to
BSMT ENERGY LIMITED

Authorised Capital Value: ₹20 CRORE

THE FUTURE IS GREEN.
LET'S BUILD IT TOGETHER!

We invite SA Equity Partners to join hands with us for a profitable and sustainable future.

WHY PARTNER WITH BSMT?

- ✓ High growth industry with strong government support
- ✓ Attractive & recurring returns
- ✓ Long-term and stable business model
- ✓ Be a part of India's green transformation
- ✓ Wealth creation for future generations

OUR EXPANSION PLAN

STEP 1

200 EV CHARGING STATIONS IN DELHI
(Strategic Locations Across the City)

STEP 2

200+ EV CHARGING STATIONS IN OTHER STATES
Uttar Pradesh | Bihar | Haryana | Rajasthan and more...

OUR GOAL:
TO BUILD A PAN-INDIA EV CHARGING NETWORK THAT IS RELIABLE, AFFORDABLE & SUSTAINABLE

BENEFITS OF OUR EV CHARGING NETWORK

-  **Promotes Green Mobility**
Supports India's clean energy mission
-  **Multiple Revenue Streams**
Charging fees, solar power, advertisements & more
-  **Low Operating Cost**
Smart technology for efficient operations
-  **Strategic Locations**
High footfall areas – malls, highways, commercial hubs & more
-  **Future-Ready Infrastructure**
Scalable, smart & sustainable solutions
